

Brian Jackman's Pendragon Holds off Tom Neill's Nitemare To win the West Marine Regatta

Brian Jackman's Pendragon was able to hold off a fast charging Nitemare to win the first Great Lakes Championship regatta. The racing was close and the conditions were shifting constantly. Lead changes were common the entire weekend.

For 2004 Pendragon modified their crew slightly. This has become a truly family boat. This year Pendragons crew consists of Brians son's, Jamie, Scott, and Jeff, his daughter Jennifer, and nephew Steve Kurz. Also rounding out the crew is long time family friend Jim Hagen, Derrick Reig, and his ace tactician Dave Curtis.

Pendragon sailed a consistent regatta to hold off Tom Neill's Nitemare who won the last three races in the 5 race series. Third for the regatta was last years Champion Bob Hughes and his New Heart Breaker Team with Andy Horton calling the shots.

This coming weekend is the second Championship regatta. The NOOD should have 7 races and things are still tight.
